

Wrestler's Transportation Approval

For the Elementary Wrestling Season we intend to have a few practices held in the High School Varsity Practice Room prior to the Varsity Home Meets. This is for the 3rd year & up elementary wrestlers only. (Novice 1st & 2nd year wrestlers do not apply).

These dates will be noted on the season calendar posted on the website and Elementary practice room bulletin board.

After the regular Elementary school session wrestlers will either walk or ride to the High School with a board approved coach. By walking or riding with a coach the parent or guardian must give written permission and waive any responsibility & liability of the coaches while in transit.

The intent is to have the wrestlers take part in the varsity experience and watch the varsity home match together. Parents are responsible for their wrestler after practice but we encourage parents to allow the wrestlers to sit as an Elementary group to watch the Raider Varsity wrestle. Please arrange to have a parent or guardian at the school for supervision during the match or to pick their wrestler up **NO LATER THAN 5:45 PM on these scheduled nights.**

I / We hereby indemnify & hold harmless Reynolds Wrestling Coaches of any & all liability resulting from transporting my child to any wrestling events.
